c/o Order Entry

Fax: (937) 847-3411 or (937) 847-6277 -Or-

Email Scanned Doc to: orderentry@motoman.com

Submitting this form to Yaskawa Motoman allows the end user to receive the full warranty period. With proper form submission, time at the integrator (not to exceed 180 days) does not diminish the end user's warranty period. If the form is not submitted at the time of shipment from the integrator to the end user, the end-user warranty will be valid from the date of shipment from Motoman to the integrator.
